County: Benton

School: Rogers

Description

SPECATULAR Lake front view from scenic bluff! The high bluff ridge runs 365 ft with several potential building sites for long lake views to the North & West. The 4.32 acres is located in the Bar-Zel Point subdivision approximately 20 miles from downtown Rogers, on paved roads winding through the unspoiled nature of Hobbs State Park-Conservation Area & Camp War Eagle. Two minutes down the road to the end of the point is a community park with paved boat ramp for easy lake access. Enjoy the beauty of the Ozarks with trees, million dollar view & great surroundings. Enter property at first real estate sign near green electric transformer to walk straight back to lake view ridge.
