## Description

Ready to get away from town? Looking for just the right property to have some farm animals, to hunt, and/or to build your dream home? You have found the right listing! 68+ acres of cleared, and wooded land to grow hay, have your choice of farm animals, and make a homestead. This property has cleared mountain top pastures that would make great building locations for a beautiful estate home. The 11 acres across the road is used to grow hay because it is in a flood plain. The home will be sold as is. Check out the drone footage and make an appointment to go see this property. It is one you do not want to miss.
