Description

Johnson sq was started because great neighborhoods are built around great community spaces. It's the stage for our public lives, a family-friendly gathering place for movie nights, festivals, and concerts, both spur-of-the-moment and planned. Shops, restaurants, markets, and offices will front the Square, offering more places to meet and mingle. Welcome to Johnson Square, a planned community. This beautiful 4 bed, 2.5 bath cottage has just what you are looking for. Stainless steel appliances, hardwood flooring, granite countertops and so much more.
