Description

Remarkable piece of property with outstanding winter views of the "Arkansas Grand Canyon". Clear out some trees and have a year-round view. Over 3 1/2 acres with some nice level spots for building your dream home located near the Buffalo River National Park area. Land is located in an area of very expensive homes but this parcel has NO deed restrictions. Would make an excellent place to build some rental cabins or VRBOs. Only your imagination limits your dreams with this property. You will also find a stunning supply of Arkansas native stone on this property.
