Recently renovated 3 bedroom, two bath house. It has an extra room that is missing the built-in closet. Grab your own wardrobe from IKEA and you have another bedroom. A fully renovated kitchen on 2nd floor is complemented by a second, unfinished, smaller kitchen on the 1st floor. Great for large family or someone who wants to live on main floor and use the 1st floor for a remote office. Quite yard and deck make this house a unique Fayetteville get away.
