Description

Have you been searching & waiting on this Real LOG home with one of the most breath taking views? The wrap around porch amplifies this 360 view. Great open concept with huge floor to ceilings windows featuring the stunning mountain views. Gorgeous granite counter tops throughout kitchen with Industrial size freezer and refrigerator. Main bathroom was recently updated with a luxury walk in tile shower, and large walk in closet all on the main level. Loft above the living room has more potential than you can count for your new office space, or entertainment area. The lower level offers a very spacious 2nd den area with walkout patio, 2 additional bedrooms; & a full bath to make this level complete. This 7+ ac provides a private back yard space & above ground garden with a Greenhouse! This place is also just mins from a public boat launch! Detached shop 40x50 with a 12 foot lean-to, 3 bay doors + a walk-in. Logs are real and well maintained; House wash and stained 2017. New Roof 2021. C
