County: Carroll

School: Eureka Springs

Description

This property is hidden in a way. What a thrill to turn off the highway and come to the metal gates to enter. Great place for hunting deer and wild turkey and even a bear occasionally shows up with her cubs. Several sites for a home or a combination home/ business. Property has a spring that runs most of the time. Also at the very bottom there is a wet weather creek that is beautiful. Lots of wild ferns and wildflowers only found in the woods. Cal ANN for how to get access through locked gates. Just reduced to a bargain price of \$285,000! Seller having property brush-hogged...
