Description

374 acres in the Heart of the Ozarks. Hunt till you drop on this large chunk of timber that has so much potential to make into a dream getaway. The deer and turkey hunting will fill your freezers and line your walls. Plenty of prior cleared areas that can be worked back into food plots that just need a little work. Adequate road/trail access to utilize entire property. Spring fed creek on north section and multiple ponds for fishing. Lots of potential building spots for a cabin or multiple cabins. Plenty of room to stretch out and relax. Call and tour this property!
