Description

Introducing Hill Country Estates, the newest subdivision offering private, idyllic estate lots located off a quiet country road with a winding private drive leading to nature, solitude, and beauty amidst rolling, wooded terrain. The individual lots are 3+ acre estate lots, gently sloping and partially wooded, providing a perfect mix of privacy and accessibility, while still being close town. This tranquil subdivision requires single family residence with a minimum 3,000 square feet of heated/cooled living space.
