Description

There is absolutely nothing like this neighborhood in all of Northwest Arkansas! Surrounded by natural preserve, gorgeous springs, and the Little Osage Creek, Healing Springs has something for everyone. Lot 4 has 1 buildable acre in the front of the subdivision. It is fairly flat with some mature trees and has a winter valley view. Take a driveway off of Stillhouse Springs or the Lot 1 private road. Public electric, gas, and water. Bentonville schools! Choose your own builder to build your dream home! Photos are of entire development including common areas with Stillhouse Spring waterfall, creek and pond. This lot does not have direct access to creeks or streams but through neighborhood easements. More information including specifics to this lot, building requirements, and disclosures available. Taxes are for lot only.
