Description

New Roof. Located in the Boston mountains of the Ozarks, Heart Stone Castle has been an income producing VRBO with a 78% occupancy rate for 2020, originally built off of a survivalist bunker who successfully lived off grid. The original castle/bunker is the 3 story block tower and is roughly 2300 sqft Foundation footings are concreted is 6 ft. deep. The outside of the home is hardy board in Tudor style. Locally made, custom doors and glass throughout. The 3 pantry cabinets are big enough to store 3 months of food stuff for a family of 4. To the left of a castle, the waterfall is active at least 2 seasons of the year and after big rains. Sellers have invested nearly 100k in water direction, allowing views from the home of the falls to be absolutely breathtaking. The 70 ft wooden bridge crosses creek. It can be closed off to the main road. Gazebo and large fire pit by the stream. The garage is 20x30 and the tool shed is 10x20. Currently on Winslow water, the well is still operable. Flat
