Description

Riverfront lot (6.5 acres) on the Kings River in desirable Kings River Landing. Exceptional lot situated at the end of the road with tree-lined privacy. Property boasts a beautiful spring fed creek on the north boundary and riverfront access on the east boundary. A deeded Common Area is available for residents, which includes private access to floating and fishing on the Kings River. This is a rare opportunity to build your next home or weekend getaway and enjoy panoramic views of nature and beauty from daybreak to sunset.
