Description

Check out this gorgeous mountain top with a creek for sale! 20+ acres of wooded land with tremendous views all the way around and could be cleared for even better views. A beautiful cave can be found hidden on the hillside. Also has a creek and the well is shared. This property has been used as a campsite for years so it has a campfire and carport. A private and quiet area in the country but just minutes from town, Buffalo National River, White River and Bull Shoals lake. Property behind locked gate.
