Description

Built for "landing spot" for sellers...9 nice acres, peach trees, berries, trails mowed around acreage. Old trailer can be moved or left for storage. Cabin well insulated but not exactly finished. Well and septic in place, nice views of mountains. Built for owners as they traveled-great set up with several built-in bunk beds, open living room, kitchen (not finished cabinets) washer and dryer stacked. Located not far from Berryville/Eureka Springs and lake areas. Large pump house used for storage also. Lots of potential!
