Description

Welcome to your dream home near Mill Creek/Kings River. This stunning 3-bedroom, 2-bathroom abode offers 2750 square feet of living space on a 0.36-acre lot. Built in 2022, this home has a thoughtful design. You'll be greeted by an inviting open concept layout, blending living, dining, and kitchen. The heart of the home features a floating fireplace, adding warmth and character to the living space. The well-appointed kitchen is equipped with sleek appliances, ample counter space, and ample cabinetry, ensuring both form and function. The master suite has a spacious layout, plush carpeting, and a bathroom complete with a walk-in shower, and large walkin closet. Two additional bedrooms provide versatility for family or serving as a home office. Outside, the expansive backyard offers endless possibilities for outdoor enjoyment. With the Mill Creek/Kings River near by water enthusiasts will delight in boating, kayaking, fishing, or simply taking leisurely strolls along the tranquil shores.
