Description

Settled in the heart of Downtown Bentonville, J & Central is the type of property which seldomly comes available. On a hard corner with a natural low slope, this property is excellent for uses such as multifamily, hospitality, commercial or mixed-use given it's favorable C3 zoning and location. Surrounded with rich amenities, vibrant downtown culture, and a strong regional economy, this property is an anchor point with high visibility in all directions as it's the Eastern entrance into Downtown Bentonville.
