Description

This large tract has a nice lake view, a wet-weather creek, and 240' of lake frontage! This excellent combination is easily accessed off of paved Mundell Road and it's close to Starkey Marina! When it rains, water from this tract and a waterfall on an adjacent property, join and flow from this property into the lake. The lake front portion of this lot is a neat location filled with cliffs, boulders, and the wet-weather creek. The house site is higher on the hill where you can take advantage of the view of Beaver Lake, the width of the property, the easy access!
