Description

Tranquil and feeling remote, this property is only nine miles south of Huntsville! With just over 16 acres, this three bedroom house and land is a cute little farm waiting to happen. Don't miss the small barn, two-car concrete-built shop, a well-stocked pond, and more. The view is amazing. With an open concept, the kitchen and living room boasts plenty of space for your family. The home has been updated with a new roof and new siding. Bedrooms lie at the back of the hallway, private from the public areas of the home. The basement provides additional storage or could be a handy-man's workspace. A must-see for anyone wanting to create their own little homestead. Seller will not perform any repairs. Property is being sold as-is.
