Description

Located in sought-after neighborhood of Big Sky this masterpiece of design & luxury, is a testament to impeccable taste. The heart of this haven is undoubtedly the chef's kitchen, sprawling island, vegetable sink, 5-burner/double oven gas range, quartz counters, walk in pantry, floating shelves and custom stained hood. Living room centers around stunning tile linear gas fireplace, enveloped by oversized windows that bathe the space in natural light. Adjacent, the dedicated dining area with custom wood accents is positioned for a seamless flow. Retreat to the primary suite, where oversized windows invite in sunlight & spa-inspired bath with a walk-in tile shower featuring double showerheads, soaking tub, double sinks & walk-in closet with floor to ceiling storage and direct access to the laundry room. Study with French doors and stunning accent wall and the upstairs reveals a generous bonus room with a wet bar. Enjoy the oversized covered patio overlooking the fenced backyard. \$3,000 if
