Description

New construction home offering an open floor plan with quality finishes throughout located along the subdivision greenspace. The spacious living area features vaulted ceilings and a cozy gas fireplace flowing seamlessly into the kitchen and dining spaces. The kitchen is highlighted by white soft-close cabinetry, granite countertops, stainless steel appliances, subway tile backsplash, and a large center island with seating. Durable wood-look tile flooring extends through the main living areas for both style and easy maintenance. The primary suite includes a tray ceiling and an ensuite with a double vanity, granite counters, soaking tub, fully tiled walk-in shower and a generous walk-in closet. The laundry room offers additional cabinetry and counter space. Summerfield Subdivision is just around the corner from Creekside Park, a city park with trails and recreational amenities. This home also features energy-efficient construction designed for comfort and long-term savings.
