Description

Own your own slice of the Ozarks! This 41.67 acres has been surveyed and would be perfect for that person who just wants to get away and unplug from the world. Electric is available but this would be even more ideal for an off-grid cabin or just use for hunting and hiking. Lots of deer, turkey an occasional bear and lots of small game. Hike down to the spring or sit out on the cleared ridge and take in all the beauty the countryside has to offer.
