## Description

Located at 919 W Walnut Street in Rogers, this versatile commercial property sits directly on one of the area's most visible & well-traveled streets. Currently used as a retail space, the building offers a welcoming storefront with additional private office space in the back, providing flexibility for a wide range of business uses. All new ceramic tile flooring was put in. Ideal for retail, a small church, professional offices, or conversion into cubicle-style workspaces. The property features convenient parking in both the front & back, making it easily accessible for customers & staff. With its prime location & adaptable layout, this space offers exceptional potential for your next business venture.
