Description

The home sits just a couple of miles of exit 58 close to Greenland. It is part of Fayetteville. It sits on .69 acre and offers a large front yard and a fenced in back yard. The garage was closed in and now is serving as a secondary bedroom with bathroom. It is a solid house that is ready for new owners to update and make their own. The home is close to all of NWA and quick trip to anything one might want to get to but still gives you some space away from the busier parts of the area. It is priced to give a new owner plenty of room to make it their own. Call today for your personal showing. Inside pictures will be coming once the family completes an online auction for the personal contents.
