Description

Welcome to a home that truly rocks---literally. This stunning 4 BR, 2 1/2 BA residence features a striking exterior crafted from locally harvested stone, something no factory-made material could ever replicate. Inside you'll find walls lined with locally harvested and milled cedar. At nearly 3800 sf, this home delivers craftsmanship at every turn. The main floor boasts three fireplaces, along with gorgeous cherry hardwood floors. A metal roof offers peace of mind and durability for decades to come. The finished walk-out basement offers over 1800 sf of living space. Complete with a full kitchen/dining area, two bedrooms, an oversized bathroom, a living room, and a dedicated office or music room, this area functions as a mother-in-law suite or an income-producing rental. A storm shelter adds an extra layer of security. The property sits on 4 spacious lots with a beautifully maintained yard, a large concrete patio perfect for entertaining, and a generous shop building equipped with two garage doors and workbenches.
