Description

This home offers a beautiful curb appeal that will capture your attention with its charming covered front porch, elegant brick columns, and stylish arch-top windows. As you step inside, you are greeted by an inviting entryway that sets the tone for the rest of the house. The split floor plan of this home provides a functional layout, offering privacy and convenience. With four bedrooms and two bathrooms, there is ample space for a growing family or accommodating guests. The master suite is particularly impressive, providing a spacious retreat for relaxation and comfort. The kitchen and dining area of this home is truly stunning. It has been thoughtfully designed and equipped with modern, energy-efficient appliances that not only enhance the aesthetics but also contribute to a sustainable lifestyle. The ample counter space provides room for meal preparation, while the convenient pantry ensures that you have plenty of storage for all your kitchen essentials.
