## Description

Located in the highly sought-after Bridgeport subdivision, this 5-bedroom, 4.5-bath home offers 3,831 sq ft of well-designed living space with room to spread out.

The layout features multiple living areas, providing flexibility for everyday living, work, or entertaining. The open kitchen connects seamlessly to one of the two main living spaces, creating a functional central hub of the home.

The primary suite is spacious and includes an additional flex room—ideal for a sitting area, reading space, or nursery—along with a fully renovated primary bathroom. All bedrooms are generously sized with a layout that provides both comfort and privacy, making the home adaptable to a range of needs.

Located in a neighborhood with a community pool and convenient access to everything Fayetteville has to offer, this home combines size, layout, and location in one package.
