Description

This well-kept, updated 4 bedroom, 2 full bathroom home offers a split bedroom floor plan with plenty of space for everyone. Beautiful hardwood floors run throughout most of the home, new roof installed in 2025 and the gas log fireplace creates a warm and inviting living area. Speaking of the living room, it is so big and you will love all the light that floods the space from the row of big windows! The kitchen is spacious with a gas range, making it a great place for cooking and gathering. You'll also appreciate the large utility room with extra storage and workspace. Outside, the level, corner lot features mature trees and wood privacy fencing, giving you a peaceful backyard setting for kids, pets, or entertaining. The attached covered parking makes everyday life easier by keeping you dry while bringing in groceries or getting the kids inside on rainy days. Located close to everything; schools, groceries & shopping...this home is move in ready and just waiting on you to say, "YES to this address"!
