Description

If you're looking for privacy and a peaceful, tranquil setting, check out this lot. Sitting near the edge of the Bella Vista city limits, there are only a couple of homes nearby. This large lot (.36 ac) should allow for at least a 3-bedroom home, but a perc test will have to be done by Buyer to determine that. You'll find an abundance of wildlife here as you consider building your new home on this lot. Go check it out!
