## Description

If you've been searching for privacy, tranquility, and a true escape, this property deserves your attention. Whether your vision is to build a cozy hideaway, craft an off-grid retreat, or secure the perfect future homesite, this land offers endless potential.

Hidden away at the end of a deeded 40-foot-wide easement, these 10 acres provide an ideal blend of seclusion, natural beauty, and opportunity. Just 6 miles from Long Pool Recreation Area, you'll enjoy quick access to swimming, floating, hiking, and some of the region's most scenic outdoor spaces — all before returning to the complete peace and privacy of your own retreat.
