Description

Ready, set, build!!! With this large wooded lot you will have ample privacy tucked in at the end of the cul-de-sac. Lovely and quiet, this single street subdivision has many conveniences like all underground electric, gas, cable, city water and sewer all on on a gorgeous tree lined and paved street. For most, when building a dream home, in a newly laid out neighborhood you want some security that your home will be among others of its same caliber. Rest assured. The first few completed homes on Pine Crest are large and lovely homes with high quality construction and high end materials. This is a neighborhood you will be proud to call home. Eureka Springs has so much to offer. You are just a few minutes from downtown shopping, dining and entertainment. Beaver lake and the new Opera in the Ozarks campus is a short 20 minute drive on HWY 62 West. Rogers and Bentonville are about 45 minutes as well as Branson to the North. Come see what all the fuss is about here in Eureka...you won't ever want to leave.
