Description

A rare 1916 Folk-Victorian estate held just 0.8 miles from the University of Arkansas and on the campus bus route — a setting that pairs historic character with enduring rental demand. The main residence offers four bedrooms, three-and-a-half baths, and 2,697 square feet: a wood-floored foyer, formal dining, and a renovated kitchen with new cabinetry, granite, and a gas range. The main-level primary suite opens to a private screened porch; upstairs, three bedrooms and a flexible central room suit family or home office. A separate 697-square-foot studio above the detached two-car garage adds genuine income or guest potential. Iron-gated entry and full perimeter fencing frame nearly half an acre of mature, private grounds. For a buyer seeking a strategic asset in one of Northwest Arkansas's most established corridors, this is a residence worth a closer look. Also listed as MLS #1352755
