Description

Experience this charming, movie-in-ready single family residence! This home provides ample space with comfortable living, featuring four bedrooms to accommodate various needs. With a property lot size of 2,363 square feet, this residence offers a manageable outdoor space for enjoyment. Embrace the opportunity to make this thoughtfully designed Bentonville property your own! The house faces west and comes with a fenced in backyard. Includes a two car garage with a built in tornado shelter. The roof has fourteen solar panels with reverse metering. House features a Vivint home security system including 3 cameras, a doorbell camera, glass break sensors, door sensors, and DVR included with home. Comes with a walk in master closet. The mailbox is directly across the street from the garage. There's also a dog park just down the street to bring your favorite pooch. The neighborhood is very friendly and perfect for families!
