Description

Sitting on a flat .46. acre lot in the heart of NWA is one exceptional home. 4 bed, 3.5 bath with bonus room, and 3 car garage....it has it all. There's not a room it doesn't have and it's fully move in ready. You'll love all the natural light and insane number of windows. Double ovens in the kitchen with gas cook top, 1 fireplace in the living room and one on the patio. Upstairs is complete with bonus, wet bar, 2 beds, and 1.5 baths. Zoned for all the desired Springdale schools, it's a winner. Just minutes away from both 112, I49, and Shaw Family Park makes it a dream for someone wanting to be close to all the action. The laundry room, primary suite bath and closet are magazine worthy.
