Description

Inside, you'll be welcomed by gorgeous engineered hardwood floors, a cozy gas log fireplace, updated lighting, recessed lighting, and an abundance of windows dressed with classic plantation shutters that fill the home with natural light. The open-concept layout creates a seamless flow between the living area and formal dining room, making it perfect for entertaining family and friends. The beautifully remodeled kitchen features timeless white cabinetry, elegant quartz countertops, and a stainless steel gas range, offering both style and functionality. With all bedrooms conveniently located upstairs, the main level provides generous living and entertaining space. Retreat to the spacious primary suite featuring plush new carpet and a luxurious en-suite bath complete with a double-sink vanity, walk-in shower, and built-in soaking tub. Two additional bedrooms with new carpet and another 1.5 bathrooms provide plenty of space for family, guests, or a home office.
